Issuance and Applicability**

1. These documents are issued to Genesis Aviation, whose principal base of operation is located at:

Primary Business Address:

[REDACTED]  
Honolulu, Hawaii 96819

2. A change in the aircraft base of operations location constitutes an administrative change only to this Letter of Authorization (LOA) A001 and would not require nor preclude a new inspection.

a. The existing authorizations, deviations, waivers, etc., are still valid and not intended to be reissued due to a change in the operator's base of operations.

b. If the operator relocates its principal base of operations (address) listed in subparagraph 1 above, it must notify, in writing, the losing Flight Standards District Office (FSDO) of its new location and mailing address within 30 calendar days following relocation and, advise the losing FSDO of the receiving FSDO where the operator proposes to do business.

3. The attached waivers, authorizations, and/or deviations are effective as of the "Date Approval is Effective" listed in each authorizing document, and those issued without an expiration date shall remain in effect as long as the party listed in subparagraph 1 above continues to meet all appropriate Parts of the CFR or until any of the following:

a. It is voluntarily surrendered by the operator,

b. The operator ceases to be the operator of the aircraft listed in the applicable authorization,

c. It is surrendered or revoked for cause by the FAA,

d. The person signing the authorizing document relinquishes responsibility,

e. The aircraft changes ownership and should be removed from the authorizing document,

f. An aircraft or listed equipment is no longer used for that operation and should be removed from the authorization,

g. An aircraft or other equipment needs to be added to the existing authorizing document,

h. An aircraft listed on the authorization changes nationality numbers,

i. An aircraft listed on the authorization is issued an experimental, special airworthiness certificate for research and development (R&D) or changes projects associated with an experimental, special airworthiness certificate for the purpose of R&D.

4. If the Responsible Person as the signee changes for an authorization, the Responsible Person or
